The Board of Directors may appoint an employee as assistant or deputy secretary to assist the Secretary-Treasurer in all official duties pertaining to that office.

ARTICLE IV

The Board of Directors may also designate any other officer(s) and assistant officer(s) as considered necessary. Any two or more offices, other than the offices President and Secretary, may be held by the same person.

ARTICLE V

Section 1. A person must be a member of the Corporation and at least 18 years of age or older on the first day of the term to be filled at the election or on the date of appointment, as applicable; and a member or shareholder of the Corporation in order to serve as a Director. A person is not qualified to serve as a director if the person has been determined by a final judgment of a court exercising probate jurisdiction to be totally mentally incapacitated; or partially mentally incapacitated without the right to vote; or has been finally convicted of a felony from which the person has not been pardoned or otherwise released from the resulting disabilities. The Board of Directors shall consist of five (5) Directors, a majority of whom shall constitute a quorum.

Section 2. Upon issuance of the Charter and annually thereafter, but in no event earlier than

January 1st or later than May 1st of each year, the Board of Directors shall elect a President, a Vice-President, a Secretary-Treasurer, and any other officer(s) and assistant officer(s) as considered necessary from among the Directors. The Directors shall be elected by the Members at the Members' meetings provided for in Article VI of the Bylaws. The Directors shall be divided into three (3) classes, each class to be as near as equal in number as possible. The terms of the Directors of the first class shall expire at the first annual meeting of the Members after their election; the terms of the Directors of the second class shall expire at the second annual meeting after their election; and terms of the Directors of the third class shall expire at the third annual meeting after their election. At each annual meeting after such classification, the number of Directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the third succeeding annual meeting. Directors, as such, shall not receive any stated salary for their services, except as provided for by state law.

Section 3. If the Board determines that a person serving as a director does not meet the qualifications prescribed by the Texas Water Code, the Board shall not later than the 60th day after the date the Board makes that determination, remove the director and fill the vacancy by appointing a person who has the qualifications prescribed.

Section 4. Any Director failing to attend two (2) consecutive meetings may be given written notice by the balance of the Board of Directors that failure by said Director to attend a third (3rd) consecutive meeting, without justifiable cause acceptable to the balance of the Board of Directors, shall give rise to removal of said Director from the Board. A successor shall be appointed by a majority vote of the Directors remaining to serve until the next regular or special Membership meeting, at which time the general Membership shall elect a successor for the remainder of the term.

ARTICLE VI

Section 1. Meetings of the Board of Directors shall be held at such time and place as the Board may determine as necessary and shall include posting of the meeting as required by the Texas Open Meetings Act ("TOMA"), Chapter 551, Texas Government Code. The Board of Directors shall ensure that all meetings comply with the requirements of the TOMA, including any subsequent amendment thereto. In the event of any conflict between the provisions of these Bylaws and the requirements of the Open Meetings Act, the provisions of the Open Meetings Act shall prevail.

Section 2. The Board of Directors shall provide access for the public, new service applicants, or Members to the meetings of the Board of Directors by setting aside a time for hearing of suggestions, proposals, or grievances; however, there shall be no deliberations or actions by the Board unless such has first been noticed in accordance with the Texas Open Meetings Act. The Board of Directors shall establish reasonable rules for access to such meetings.

Section 3. The Board of Directors may, upon lawful notice to the public, meet in executive session when permitted, in the manner and for such limited purposes as provided for in the TOMA, as amended, and for no other reason. All proceedings of any meeting at which a quorum of Directors is present to discuss the business of the Corporation shall be recorded in the manner required by the Texas Open Meetings Act.

Section 4. In conducting their duties as members of the Board, Directors: (1) shall be

entitled to rely, in good faith and with ordinary care, on information, opinions, reports, or statements, including financial statements and other financial data, concerning the Corporation or the Corporation's affairs that have been prepared or presented by one or more officers or employees of the Corporation, or by legal counsel, public accountants, or other persons retained by the Corporation for the development of professional advice and information falling within such person's professional or expert competence; (2) may believe, in good faith and with ordinary care, that the assets of the Corporation are at least that of their book value; and (3) in determining whether the Corporation has made adequate provision for the discharge of its liabilities and obligations, may rely in good faith and with ordinary care, on the financial statements of, or other information concerning, any person or entity obligated to pay, satisfy or discharge some or all of the Corporation's liabilities or obligations; and may rely in good faith on information, opinions, reports, or statements, including financial statements and other financial data, prepared or presented by one or more Officers or employees of the Corporation, legal counsel, public accountants, or other persons provided the Directors reasonably believes such matters to fall within such person's professional or expert competence. Nevertheless, Directors must disclose any knowledge they may have concerning a matter in question that makes reliance otherwise provided herein to be unwarranted.

ARTICLE VII

Section 1. The Corporation shall conduct its annual meeting of the members or shareholders of the Corporation annually, but in no event earlier than January 1st or later than May 1st of each year to transact all business that may be properly brought before it.

Section 2. The Board of Directors shall adopt, and from time to time may revise, written procedures for conducting annual or special Membership meetings, including notification to the Membership of the proposed agenda, location, and date of the meeting; election procedures; approval of the ballot form to be used; and validation of eligible voters, ballots, and election results. At least thirty (30) days before the date of a Membership meeting that includes an election, the Corporation shall mail to each member of record at the address last known to the Corporation written notice of such meeting indicating the time, place, and purpose of such meeting; the election ballot; and for director elections, a statement of each candidate's qualifications, including biographical information as provided in each candidate's application. The election ballot for director elections must include the number of directors to be elected and the names of the candidates.

Section 3. The Board shall select an independent election auditor not later than thirty (30) days before the scheduled date of a Membership meeting where an election will be held. The independent election auditor is not required to be an experienced election judge or auditor and may serve as an unpaid volunteer. At the time of selection and while serving in the capacity of an independent election auditor, the independent election auditor may not be associated with the Corporation as an employee; a director or candidate for director; or an independent contractor engaged by the Corporation as part of the Corporation's regular course of business. The independent election auditor shall receive and count the ballots before the meeting is adjourned. The independent election auditor shall provide the board with a written report of the election results.

Section 4. For any election, a member may vote in person at the Membership meeting; by mailing a completed ballot to the office of the independent election auditor or to the Corporation's main office which must be received by noon on the business day before the date of the meeting; or by delivering a completed ballot to the office of the independent election auditor or to the Corporation's main office by noon on the business day before the date of the meeting.

A quorum for the transaction of business at a meeting of the Membership is a majority of the members present. In determining whether a quorum is present, all members who mailed or delivered ballots to the independent election auditor or the Corporation on a matter submitted to a vote at the meeting are counted as present.

Section 5. After fixing a date for the notice of a meeting, the Board of Directors shall prepare an alphabetical list of the names of all voting members who are entitled to vote as of the record date of the meeting. The list must show the address of each voting member. No later than two (2) business days after the date notice is given of the meeting, and continuing through the meeting, the list of voting members must be available for inspection by any member entitled to vote at the meeting for the purpose of communication with other members concerning the meeting at the Corporation's principal office or at a reasonable place identified in the meeting notice in the city where the meeting will be held. Any voting Member or voting Member's agent or attorney, shall be allowed, on written demand, to inspect and, at a reasonable time and at their expense, copy the list. Further, the Board shall make the list of voting Members available at the meeting and shall allow inspection of such list by any voting Member or voting Member's agent or attorney at any time during the meeting, including any adjournments thereof.

Section 6. The Board may, by resolution, declare that a candidate is unopposed for their position and declare said candidate elected. If such a declaration is so made, the election for that position is not held.

ARTICLE VIII

A special meeting of the Members may be called by the President, or by demand by a majority of the board members, or one-third (1/3) of the Members, as referenced by the Texas Water Code. Such special meetings shall be held upon giving notice as required by the Texas Open Meetings Act.

The Corporation shall provide written notice of the place, date, and time of a meeting of the members of the Corporation and, if the meeting is a special meeting, the purpose or purposes for which the meeting is called. The notice shall be delivered to each member entitled to vote at the meeting not later than the 10th day and not earlier than the 60th day before the date of the meeting. Such notice shall specify the time, place, and purpose of the meeting, and shall be addressed and mailed to each of the Members at their address last known to the Corporation, personally delivered to each Member, or sent by facsimile to each Member. Emergency meetings of the Directors may be held on rare occasions and only when clearly authorized by the Texas Open Meetings Act. Notice of such emergency meeting shall be provided under Article VI of the Bylaws and the Texas Open Meetings Act, at least two (2) hours before the meeting is convened. It shall be the responsibility of the President, or a designee of that office, to ensure that proper notice is posted, and Directors are properly notified. In no event shall any emergency meeting of the Directors be convened where the

business of such meeting could be considered at a regular or special meeting of the Directors receiving at least seventy-two (72) hours notice as provided under Article VI of these Bylaws.

ARTICLE IX

The Corporation shall conduct its business on a non-profit basis, and no dividends shall ever be paid upon the Memberships of such Corporation. All profits arising from the operation of such business shall be annually paid out to the persons who have, during the past year, transacted business with the Corporation, in direct proportion to the amount of business transacted, provided that no such dividends shall ever be paid while any indebtedness of the Corporation remains unpaid and, provided also, that the Directors of the Corporation may allocate to sinking fund(s) and reserve accounts such amount of profits as they deem necessary for maintenance, operation, capital improvements, expansions and replacements of all facility components, as provided by the Texas Water code. Funds allocated by the Board to a sinking fund for replacement, amortization of debts, and the payment of interest that are not required to be spent in the year in which deposited shall be invested in accordance with the provisions of the Texas Water Code.

ARTICLE X

The Directors of the Corporation shall establish and maintain, so long as the Corporation is indebted to the Government, in an institution insured by the State or Federal Government (TWC 67.014) or invested in readily marketable securities backed by the full faith and credit of the United States of America, a reserve account separate and apart from other fund accounts of the Corporation.

Securities so purchased shall be deemed at all times to be part of the reserve fund account. There shall be deposited in such fund the sum as required by a total of all loan resolutions executed by the Corporation. Such deposits shall be made monthly and shall continue until the total amount deposited equals the sum as required by the executed loan resolutions provided, however, that after any withdrawals, such deposits shall be resumed until the amount accumulated in the fund is restored to the sum as required by the executed loan resolutions.

Withdrawals may be made from this fund only upon prior written approval from USDA Rural Development, RUS. Approval shall be made only for emergency repairs, obsolescence of equipment, improvements to facility, and for making up any deficiencies in revenue for loan payments.

ARTICLE XI

Section 1. The Corporation shall have Members as defined by the Texas Water Code. All customers of the Corporation must hold a Membership or obtain their service through a Membership. A person or entity that holds an interest in property solely as security for the performance of an obligation or that only builds on or develops the property for sale to others is not required to hold a Membership as a condition to receive service on a limited basis. Every person (which includes any legal entity) owning or having a legal right to the control, possession or occupancy of property served, or which may reasonably be served by the Corporation, shall have the right to become a Member of the Corporation upon payment of the Membership fee hereinafter provided and upon compliance with the Corporation's conditions of water and/or

sewer service as provided for in its published charges, rates, and conditions of service. Membership shall not be denied because of the applicant's race, color, religion, sex, age, marital status, familial status, handicap, income from Public Assistance, disability, or national origin. It is the intent of the Corporation to provide service on a nondiscriminatory basis.

Section 2. The Membership fee shall be as determined by the Board of Directors. Payment of Membership fee or transfer of Membership shall entitle an applicant to further qualify for one (1) connection to the system or shall entitle a transferee of Membership to continue to qualify for service to an existing connection to the system by meeting the conditions for water and/or sewer as provided in the Corporation's published rates, charges, and conditions of service. A person may own more than one Membership, but each Member shall be entitled to only one (1) vote regardless of the number of Memberships owned. Membership certificates shall be in such form as shall be determined by the Board of Directors.

Section 3. The Membership fee may be revised by the Board of Directors as the Board may determine to be appropriate. In determining the amount of the Membership fee, however, the Board shall ensure that the fee is sufficient to establish the potential Member as being legitimately interested in securing water and/or sewer service from the Corporation for such potential Members' own needs. Furthermore, the Board shall determine and administer such fee in a manner or in an amount which does not unreasonably deny service to financially deprived potential Members. In no event, however, shall the Membership fee exceed an amount equal to the sum of twelve (12) charges of the Corporation's minimum monthly water and/or sewer rate unless previously approved by USDA Rural Development, RUS. Membership fees will be refundable.

ARTICLE XII

Where necessary for determining those Members entitled to notice of, or those Members entitled to vote at any meeting or any adjournment thereof, or where necessary to make a determination of Members for any other proper purpose, ownership of Memberships shall be deemed to be vested in those persons who are the record owners of Memberships as evidenced by the Membership transfer book on the 15th day of the month preceding the month of the date upon which the action requiring such determination is to be taken.

ARTICLE XIII

Section 1. In order to ensure that business done by the Corporation shall continue within the capacity of its facilities and to prevent undue financial burden on the Members of the Corporation, Membership in the Corporation shall be transferred in accordance with the Texas Water Code.

Section 2. Notwithstanding anything to the contrary here-in-above provided, the consideration for the transfer of any Membership in the Corporation from the original Members, their transferees, pledges, administrators or executors, or other persons, shall never exceed the amount of the original costs of such Membership. No gain or profit shall ever be realized from the sale or transfer of a Membership.

ARTICLE XIV

The Board may employ a manager to handle the business of the Corporation under the direction of the Board. The Board shall set the salary for the manager.

ARTICLE XV

Notwithstanding the ownership of a Membership certificate, all Members shall be billed, disconnected, or reconnected, and otherwise shall receive service in accordance with the written policies of the Corporation, including the tariff of the Corporation. In the event a member should surrender the Membership Corporation, the water and/or sewer service shall be discontinued and the obligation to pay for water and/or sewer service shall terminate except as for the minimum charge for the current month and the charge for water and/or sewer used during the current month, and except as for any prior unpaid amounts due the Corporation. Any remaining balance from the membership fee will be refunded to the former member. In the event Membership is terminated, cancelled, withdrawn, or surrendered, whether voluntarily or involuntarily, the former Member's rights and interest in the assets of the Corporation will not be forfeited.

ARTICLE XVI

Upon the discontinuance of the Corporation by dissolution or otherwise, all assets of the Corporation shall be distributed among the Members and former Members in direct proportion to the amount of their patronage with the Corporation insofar as practicable. Any indebtedness due the Corporation by a Member for water and/or sewer service or otherwise shall be deducted from such Member's share prior to final distribution. By application for and acceptance of Membership in the Corporation, each Member agrees that upon the discontinuance of the Corporation by dissolution or otherwise, all assets of the Corporation transferred to that Member shall be in turn immediately transferred by the individual Member to an entity that provides a water supply or wastewater service, or both, that is exempt from ad valorem taxation. By application for and acceptance of membership in the Corporation, each Member grants the Corporation's Board of Directors that Member's permission to execute all instruments and documents necessary to effectuate such transfers in order to preserve the Corporation's statutory rights to exemption from income and ad valorem taxation.

ARTICLE XVII

The fiscal year end of the Corporation shall be December 31st of each calendar year.

ARTICLE XVIII

For so long as the Corporation is indebted for a loan or loans made to it by the United States of America through the USDA Rural Development, RUS, the Corporation shall insure with a reputable insurance company such of its properties and in such amounts as is required by the State Director of the USDA Rural Development, RUS, for the State of Texas.

ARTICLE XIX

Section 1. If at the end of the fiscal year, or in the event of emergency repairs, the Board of Directors determines the total amount derived from the collection of water and/or sewer charges to be insufficient for the payment of all costs incident to the operation of the Corporation's system during the year in which such charges are collected, the Board shall make and levy an assessment against each Member of the Corporation as the Board may determine or as may be required by USDA Rural Development, RUS, so that the sum of such assessments and the amount collected from water and/or sewer and other charges is sufficient to fully pay all costs of operation, maintenance, replacement and repayment on indebtedness for the year's operations, but this provision shall not operate for the benefit of any third party creditor other than USDA Rural Development, RUS, without a favorable vote of the majority of the Members. Any assessments levied to make up operations deficits in any year shall be levied against Members in proportion to their patronage with the Corporation.

Section 2. In the event a Member should surrender their Membership, the obligation to pay such assessments shall be limited to assessments made and levied prior to the date of surrender of the Membership certificate provided, however, that this paragraph and the second sentence of Article XV shall not apply to relieve a Member of their obligation under special arrangements covering Multiple Membership certificates held by one Member which may have been required or approved by the USDA Rural Development, RUS.

ARTICLE XX

The Corporation shall keep correct and complete books and records of account and shall keep minutes of the proceedings of its Members, Board of Directors, and committees, and shall keep a record of the name and addresses of its Members entitled to vote at its registered office or principal office in Texas.

Annually, the Board of Directors shall prepare or cause to be prepared a report of the financial activity of the Corporation for the preceding year including a statement of support, revenue, and expenses and changes in fund balances, a statement of functional expenses, and balance sheets for all funds or such financial reports as required by USDA Rural Development, RUS. Such report shall be approved by the Board of Directors.

ARTICLE XXI

These Bylaws may be altered, amended, or repealed by a vote of a majority of the members of the Board of Directors voting at any regular or special meeting of the Corporation, called for that purpose, except that the members of the Board of Directors shall not have the power to change the purpose of the Corporation so as to decrease its rights, powers, and duties under the laws of the State, or to waive any requirements of bond or other provisions for the safety and security of the property and funds of the Corporation or its Members, or to deprive any Member of rights and privileges then existing, or so to amend the Bylaws as to effect a fundamental change in the intents and purposes of the Corporation. Notice of any amendment to be made at a special meeting of the Members must be given at least ten (10) days before such meeting and must set forth the amendments to be considered. For so long as the Corporation is indebted for a loan or loans made to it by the United States of America through the USDA Rural Development, RUS, or its successor agencies and assigns, these Bylaws shall not be altered, amended, or repealed

without the prior written consent of the State Director of the USDA Rural Development, RUS, for the State of Texas.

ARTICLE XXII

The seal of the Corporation shall consist of a circle within which shall be inscribed “WHITE OAK WATER SUPPLY CORPORATION.”

ARTICLE XXIII

The Corporation pledges its assets for use in performing the functions of the corporation as provided by law and the Corporation’s Articles of Incorporation.

ARTICLE XXIV

The above Bylaws were adopted as amended by the Members of the Board of Directors of the White Oak Water Supply Corporation, at a meeting held on the 25th day of May, 2023.
